

Infinite Campus University

Comprehensive and ongoing product training via ICU Course Webinars at times convenient for you.

Types of Learning

Explore the multiple webinars offered through ICU.

Lunch and Learn Sessions

Held after each new enhancement release, you will learn what new features mean to users and how they improve current processes. Check out the enhancement schedule on the [Campus Community](#).

Teacher Tuesdays

Designed with teachers in mind, Teacher Tuesdays include the Campus Instruction functionality. These courses are offered once a month during the same week as the Lunch and Learn sessions.

What's Possible Wednesdays

Short overview sessions on cool things you can do in Campus are offered once a month during the same week as the Lunch and Learn sessions.

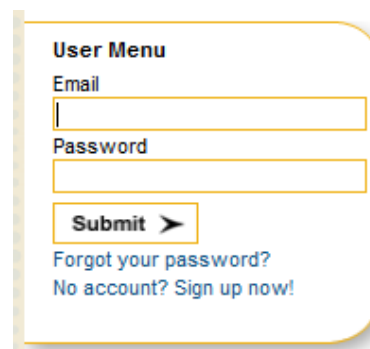

Core Course Webinars

Learn how Campus features and modules function. Topics include Campus Census, Report Card and Transcript Template Creation, Ad Hoc Reporting, Data Analysis and more.

Learn what's possible using Infinite Campus University!

Infinite Campus University has a registration website that enables you to log in and view all trainings offered to ICU customers – by webinar.
